On Behalf of the New World Society of Jehovah's Witnesses Everywhere

Greetings!

To you Christians from scattered residences in Asia, Europe, Africa, North and South America and the great and small islands of the sea who have journeyed to this assembly, may Jehovah's undeserved kindness and peace be increased.

While all of us are most joyful at being together in assembly, still we are mindful of our many brothers and sisters who have been unable to join us here in New York at this marvelous Divine Will International Assembly of Jehovah's Witnesses. Our love reaches out to every one of them, and our prayers ascend to our gracious God to bless them nonetheless. May it be Jehovah's will that through our being here we shall be able to take the joy, gladness and warm fellowship of this assembly back to our brothers, along with the abundant spiritual food that we are confident Jehovah will shower upon us to overflowing. As delegates at this assembly we must all feel our responsibility in this regard. What a pleasure it will be for you delegates to talk soon to our brothers around the world about the goodness of Jehovah!

We are grateful, too, for the many labors of love already expressed by willing workers in preparation for this glorious assembly, and we rejoice to see the spirit of Jehovah operating through his Son, Jesus Christ, upon all his willing slaves. Together, all of us are determined by Jehovah's undeserved kindness to make the good news of Jehovah's kingdom known in all the inhabited earth and to make this assembly a praise to the most holy name of Jehovah, our God.

To all of you present I extend a hearty welcome and transmit the warm love from Jehovah's witnesses from all around the world. Together our prayers continue to be that the divine will may come to pass at this assembly to the honor of Jehovah's great name and to the blessing of his faithful people.

Your brother,

N. H. Knorr

ANNOUNCEMENTS

Inasmuch as the public-address systems are to be used only for bringing to the audience the convention program and information pertinent to the organization, neither the chairman of the convention nor anyone else will make personal announcements over these systems.

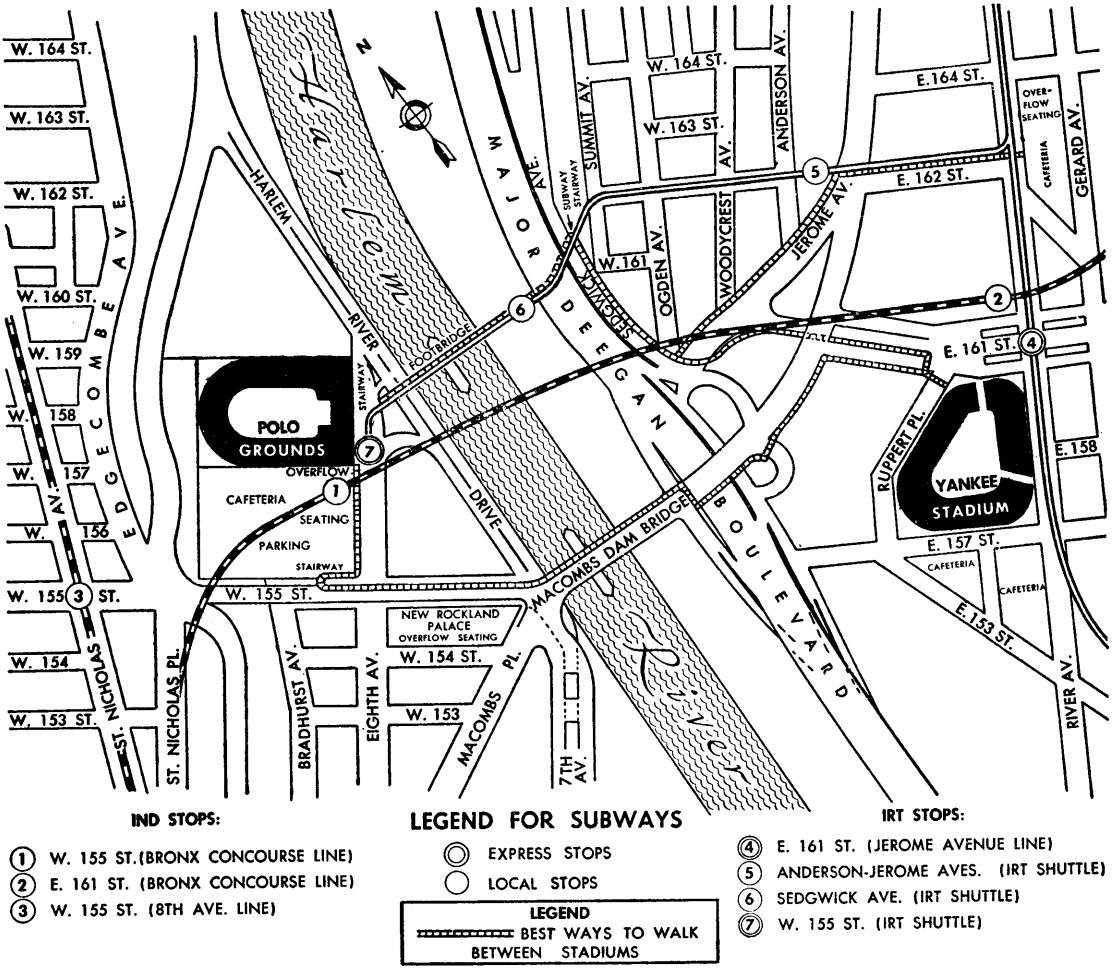
BETHEL SERVICE

There will be a meeting of persons between the ages of seventeen and thirty-five years who are residents of the United States and unmarried and who are interested in entering Bethel service in the United States. The meeting will be held Thursday at 6 p.m. at the New Rockland Palace adjacent to the Polo Grounds (see pages 21, 23).

BOOKROOM AND BIBLES

Literature for field service can be obtained in the bookrooms at each stadium. At Yankee Stadium the locations are Sections 22, 26, 34, Lobby level, and at the Polo Grounds Sections 1, 1-A, Main level. Also, there will be a display of Bibles in the main lobby concourse in Sections 3 and 29 at Yankee Stadium and Section 43, Main level, and Section 6, Ground level, at the Polo Grounds. You will be able to obtain various translations, concordances, Bible dictionaries and other aids at these places. Magazines will be available in Section 41 at Yankee Stadium and Section 2, Main level, in the Polo Grounds.

CONVENTION GROUNDS DIAGRAM



CAFETERIA

Cafeterias will operate at Yankee Stadium and the Polo Grounds. They are located in tents south of their respective stadiums. In addition to this, another cafeteria dining room will be located on the parking lot on River Avenue and 162nd Street. Brothers in the bleachers and northern sections in Yankee Stadium will find it more convenient to go to this dining room than to the large dining room directly to the south of Yankee Stadium. Those attending at the Polo Grounds should go to the southeast corner of the stadium and then follow the instructions of the attendants in proceeding to the cafeteria.

As you approach the entrance of the cafeteria you will be able to purchase a meal ticket to exchange for a tray filled with food. When you obtain your tray please follow the instructions of the attendants, who will direct you to tables. When you finish your meal please do not stand around and talk but take your tray to tables where you may deposit the used trays and cups. Then move on to the stadium or somewhere else, inasmuch as space in the dining room will be at a premium. The crowds should move quickly in order to accommodate thousands of others that will also want to eat at the cafeteria. There will be enough to accommodate all. Be patient. It will be helpful if all do not endeavor to get to the cafeteria right away. After the final session each night a 35c snack lunch will be served up until 9:45 p.m., with exception of the final Sunday, when a regular meal will be served.

Time of Operation. Breakfast will be served every morning beginning at seven o'clock and will close ten to fifteen minutes before sessions begin. The cafeteria will be closed during sessions. The noon meal will be served from 11:30 a.m. to 1:30 p.m., with the exception of those days when there will be a morning program. In this case the cafeteria will not open until the morning meeting has been dismissed. The evening meals will be served from 4:30 to 6:30 p.m. The same times will be observed at both stadiums. Identical menus will be served in both cafeterias and all types of refreshments will be the same in both stadiums.

On the final day of the convention the cafeteria will be open from 11:45 a.m. until 2:15 p.m. It will open again after the closing remarks by the president.

Refreshment Stands. There will be many refreshment stands throughout Yankee Stadium and the Polo Grounds, as well as on the parking lots that are being used by the Society. You will be able to obtain some kinds of food and refreshment such as ice cream, beverages, sandwiches and other items. All refreshment stands will be closed during sessions.

Pioneer Meals. Pioneers who have been on the list since January 1, 1958, will obtain meal tickets as a provision from the Society. You may obtain these in Section 51 at Yankee Stadium. These tickets are not valid in the refreshment stands.

If all the brothers will bear in mind that the cafeteria and refreshment stands, as well as all the departments, will be closed during all sessions, there will be no confusion or reason to be walking about in hallways. Please stay in your seats and enjoy the spiritual food until the conclusion of each session. All attend the assembly to be edified spiritually and this will include those who volunteer their services to make it convenient and pleasant for you.

CHECKROOM

There will be a large checkroom in each stadium. The one at Yankee Stadium will be in Sections 14 to 20, Basement level, and at the Polo Grounds it will be in Section 1-A, Ground level. Where brothers check out of their rooms on the last day of the convention before the final session it will be better for them to take their baggage directly to the railroad station or bus terminal from which they will be leaving than to bring it to the convention grounds. If you have anything to check you may do so, at your own risk. The Society will not be responsible for any loss. The checkroom is operated as a convenience.

CIRCUIT AND DISTRICT SERVANTS MEETING

At 9:30 a.m., Thurday and Friday, July 31 and August 1, all circuit and district servants from all countries should attend these special sessions for further instruction on the field work. Branch servants and persons working in the service department of any branch should also attend.

CONVENTION REPORT

The Society is printing a complete 128-page convention report. These may be ordered through your congregation. The report is 30c a copy. From time to time sixteen-page reports will be released at the convention grounds at 5c a copy. All these individual copies plus a sixteen-page photo section and a thirty-two-page final report with beautiful cover will make up the 30c copy of the 1958 convention report.

DEAF-MUTES

Programs at both Yankee Stadium and the Polo Grounds will be interpreted for deaf-mutes in Section 24 of the lower stands at Yankee Stadium and Section 18 of the lower stands at the Polo Grounds.

Earphones will be set up at the same locations for those who are hard of hearing.

DISPLAY

You will be keenly interested in seeing the beautiful display of *The Watchtower* and *Awake!* in all languages. This will be located at Yankee Stadium in Section 12 on the Mezzanine level.

Photographs of the branch offices of the Society world-wide will be on display, half of them at Yankee Stadium, Mezzanine, Section 10, and half at the Polo Grounds, Ground level, Section 7.

A special display of *"Let God Be True"* in its forty-eight languages will be set up attractively in the Polo Grounds on the Ground level, Section 7. This publication has been a basic textbook that has assisted thousands of people to a knowledge of the truth.

Photographs of Kingdom Halls built by Jehovah's witnesses in the United States will also be on display at Yankee Stadium, Mezzanine, Section 10, and at the Polo Grounds, Ground level, Section 7.

FIELD SERVICE

Every publisher attending the Divine Will International Assembly of Jehovah's Witnesses will want to engage in field service. In addition to talking about the good news to persons en route to New York and on your return trip, you should spend some time in the service while in the convention city. Then be sure to turn your report in to your home congregation. To facilitate field service while in New York it will not be necessary to come to either of the stadiums in the morning to obtain territory if you do not wish to do so. There will be, however, a morning service at the stadiums and you will be able

to obtain territory and literature. But to save time, it is suggested that you get territory and literature at the nearest Kingdom Hall used as a service center. On your room assignment card you will notice a territory number. The number has prefix letters. These will identify the Kingdom Hall nearest your room. Look through the tabulation below and you will find the address of your nearest field service center. (The subway station is shown in parentheses.)

The literature offer for the months of July and August is two bound books and two booklets on a contribution of $1. This same combination may be used during the assembly. However, if you find it inconvenient to carry so many publications during the assembly, you may use the latest issues of both the *Watchtower* and *Awake!* magazines on a contribution of 10c. Many publishers may be going directly to the territory with automobiles and will have no difficulty carrying an extra supply. The Bookroom, Magazines and Field Service departments are located in the general location of Sections 22 to 26, 32 to 34 and 41 to 43 on the Ground level at Yankee Stadium and on the Main level in Sections 1, 1-A and 2 at the Polo Grounds.

It is advisable to arrange publishers in groups and then designate one as a captain who will be responsible for the territories. The territories are clearly marked for the activity that is to be carried on in them.

Where a publisher is living in a private home he should take advantage of the opportunity to present the literature to his host. Give him a witness and try to start a Bible study. Above all, be certain to invite him to the meetings during the week and especially the Sunday public meeting. If you start early enough in the week to talk about the truth, it is quite possible that a Bible study may be carried on with the person where you are staying. Be systematic about it and before you leave turn in the name and address of this interested person to the Field Service department so further attention can be given the individual by the local congregation.

IMPORTANT. Field service reports for placements or time are NOT to be turned in at the assembly. Be sure, however, to keep an accurate record of all time witnessing to people while you are coming to and returning from the convention, as well as the time spent in witnessing during the assembly itself, and report it to your own congregation by mail for July and again in August, when you get back home.

ALL FIELD SERVICE REPORTS ARE TO BE TURNED IN OR MAILED TO YOUR LOCAL CONGREGATION WHEREVER YOU LIVE IN THE WORLD BEFORE AUGUST ENDS.

FIRST AID

The First Aid department at Yankee Stadium is located in Sections 2 through 6 on the Basement level. The department location in the Polo Grounds is in Sections 1-A and 22, Ground level. Keep in mind that this provision is for first aid and emergency treatment only. It is not a place to rest, nor is it a place for the treatment of chronic cases; they will not be handled.

GILEAD APPLICATIONS

Full-time publishers from all countries who wish to make foreign missionary service their life ministry career and who want to study at Gilead in preparation for missionary service may assemble Friday at 5:30 p.m. at New Rockland Palace adjacent to the Polo Grounds (see pages 21, 23). If you are between the ages of eighteen and forty and in excellent health and without dependents, you may qualify. You will be admitted to the meeting by showing your pioneer identification card.

IDENTIFICATION

Besides wearing a regular convention badge, everyone at the convention should have personal identification papers, such as driver's license (if he has a car), registration card, or passport, and the name and the address of the people with whom he is staying. Volunteer workers should carry their Identification and Assignment card with them at all times. Where identification ribbons are furnished, they should be worn to assure ingress for any location where they are entitled and required to go.

IMMERSION

All candidates for immersion should assemble at Yankee Stadium not later than 8:55 on Wednesday morning for the discourse on baptism. They will be seated in the box seats in Sections from 19 to 24. Each one should have his own bathing suit and towel. The immersion itself will take place at Orchard Beach, located about ten miles from the stadium. The address is Pelham Bay Park, the Bronx. Buses are being arranged for by the Society and will be dispatched to Orchard Beach from various locations around the stadium. Only candidates for baptism will ride in the buses provided. If others decide to attend they should do so by private car. However, since other meetings immediately follow the immersion the rest of the brothers are encouraged to attend the meetings. There will be no registration of candidates. The Immersion department will be located at Yankee Stadium in Section 3, Basement level.

INFORMATION

Information desks at Yankee Stadium are located in Sections 3, 29 and 48, Ground level. At the Polo Grounds they are located in Section 5, Ground level, and in Section 1-A, Main level. New York city has excellent subway and surface transportation. The easiest and cheapest way to travel is by the use of the subway, if it is convenient to your living quarters. Subway and bus fares in New York are 15c. Follow the signs in the subway stations and you will not get lost. If you are not sure, ask other persons or the conductor on the train.

LOST AND FOUND

This department is located on the Basement level in Section 22 at Yankee Stadium and Section 1-A, Ground level, under the bleachers at the Polo Grounds. Please bear in mind that both stadiums are open to the public, so be very careful about your belongings. Take care of them. Do not leave them on seats. Beware of pickpockets. They generally always mingle in with large crowds. Even though you are assembling with your own brothers, others will sneak in and try to steal. Be very careful with your money, handbags, umbrellas, coats and other belongings.

If you have lost any items of apparel, valuables, pocketbooks, jewelry, or otherwise, go to the Lost and Found department and inquire for them. If you find such items, please turn them in to the Lost and Found department.

Children who have strayed away from their parents and become lost should be taken to the Lost and Found department. Brothers should go there and look for their children. Parents should keep in mind, however, that this is not a department to take care of children. There is no provision for a nursery. Lost children will be very unhappy until you find them. Look for them. Please look after your children and keep them with you.

MISSIONARIES AND GRADUATES

In the morning and afternoon of July 27 all graduates of Gilead still in full-time service anywhere in the world, including circuit servants in the United States, should sit in groups in Yankee Stadium according to their graduating class numbers. Class No. 1 will occupy seats on the cinder track in front of the screen at Section 1. Class No. 2 will be seated in front of Section 2, and so on. Standards will identify each section.

That evening all graduates will assemble in the Polo Grounds in similar order, with Class No. 1 occupying space in front of Section 22. The other classes will be arranged to the left and right of the first class as in the morning at Yankee Stadium.

On Tuesday morning at 9:30 at the New Rockland Palace (near the Polo Grounds) there will be a meeting of all Gilead graduates in foreign service outside the continental United States and Canada (Newfoundland and Quebec missionaries are considered in foreign service and are invited). Sometime on July 27 all who qualify will be given a printed invitation to attend. This is to be a meeting of missionaries to discuss future foreign service and those who attend must be planning to return to their assignments following the convention and leaves of absence. Branch servants and assistants will also attend.

ORCHESTRA

There will be an orchestra in each stadium. Those that have received assignments should proceed to the Music department. If your assignment calls for you to play with the orchestra at Yankee Stadium, go directly to the Music department located in Section 19, Basement level. If in the Polo Grounds, go to the Music department located in Section 8, Ground level.

PANORAMIC PICTURES

The Society will have no large pictures of the convention or stadiums available during the assembly itself. However, it has planned to have a large panoramic picture of both the Polo Grounds and Yankee Stadium on one picture about 16" wide and 30" long. All congregations will certainly want to have one of these pictures as a memento of the Divine Will In-

ternational Assembly of Jehovah's Witnesses for their Kingdom Hall, and undoubtedly many other individuals would like to have this photograph too. These may be ordered through your congregation as a cash item at $3 each. No orders will be taken at the convention. If you want a copy, order it through your congregation servant after the assembly.

PARKING

Parking space is extremely limited for cars in the neighborhood of both stadiums. Each person will have to look after his own arrangements for parking his car. It is again suggested that you park your car near some convenient subway stop and proceed to either stadium by subway, or regular bus transportation if the latter is more convenient.

PIONEER APPLICATIONS

Those desiring to enter the pioneer service may obtain full information relative to this full-time ministry by attending a meeting Wednesday at 6 p.m. at the New Rockland Palace adjacent to the Polo Grounds. Its location is shown on the charts, pages 21, 23. Application forms will be available at this meeting. At other times applications may be had at the field service counters.

PIONEER REGISTRATION

Pioneers who have been in full-time ministry since January 1, 1958, will receive a meal ticket and an identification card. You will have to sign for your meal ticket. If lost, it will not be replaced. Please do not ask for another. Meal tickets are not good at refreshment stands. You should register with the Pioneer department in Section 51 under the bleachers at Yankee Stadium. These meal tickets are good at the cafeterias at both stadiums.

POST OFFICE

There will be a Post Office location at each stadium. In Yankee Stadium it will be on the Lobby level near Section 33. At the Polo Grounds it will be located on the Main level in Section 43. Stamps may be purchased and letters mailed at either one of the Post Offices. Do not have your friends write to you at the convention but rather *use your New York rooming address for correspondence.*

Any personal mail or telegrams received will be held at the Post Office at Yankee Stadium.

PUBLIC RELATIONS MEETING

At 9:30 a.m., Monday, July 28, in the New Rockland Palace all persons appointed as public relations servants will attend. Circuit, district and branch servants are invited also, but some may be excused if convention duties require their presence elsewhere.

ROOMING ACCOMMODATIONS

There will be a Rooming department handling assignments of rooms at Yankee Stadium located under the bleachers in Sections 46 to 50. At the Polo Grounds the department is on the Main level in Section 1-A. Be certain that you have on your person at all times the address of the home where you are staying. Also, write down the telephone number on a slip of paper or in a special notebook. Do not depend on someone else to have this information for you. It is possible that you may get lost from your own group, so please know where you live.

SERVING OVERSEAS

Many brothers are now interested in serving where the need is great in other lands. If you have questions relative to this service, visas, or travel, you may get such information at the Travel department located in the Polo Grounds, Main level, Section 44-A.

SPECIAL PIONEER MEETING

At 9:30 a.m., Wednesday, July 30, all special pioneers so appointed by any branch in the world will do well to attend this meeting. Branch, district and circuit servants are also invited after attending the 9:35 a.m. talk at the Polo Grounds, if convention assignments do not require their presence elsewhere.

SURPLUS ITEMS

At the conclusion of the convention Sunday night, the beautiful flowers, shrubbery, etc., used around the stages at both stadiums will be available to the brothers at wholesale rates. After the final meal is served there will be surplus food items available as well in the dining room at each stadium. In addition to that, many circuits are desirous of obtaining public-address and cafeteria equipment. Such items will be made available to the circuits upon ordering by the circuit servant.

TAPE RECORDINGS

There is no provision for individuals to make recordings. Two-hour recordings on high-quality tape will be made by the Society. You may order the recorded sessions at the Tape Recording department located in Section 10 of the Basement level at Yankee Stadium and also in Section 44-A, Main level, at the Polo Grounds. The $4 price of each tape should be paid when you place the order. You will receive a receipt for your order enabling you to pick up the tapes, generally about two days later. You may pick up the Saturday and final Sunday tapes on Monday or Tuesday, August 4 and 5, at 77 Sands Street, Brooklyn, N.Y., or they will be mailed to you. The Society has selected certain pro-

grams that are being recorded so that those of you who want tapes may purchase them. The Society will not stock tapes for later delivery. The programs to be recorded at Yankee Stadium are:

1. Sunday, July 27, 10:30 to 11:00; 1:30 to 2:30; 7:10 to 7:40.
2. Sunday, July 27, 2:30 to 4:00; 8:00 to 8:30.
3. Monday, July 28, 2:30 to 4:30.
4. Tuesday, July 29, 3:30 to 4:30; Wednesday, July 30, 3:30 to 4:30.
5. Wednesday, July 30, 7:00 to 9:00.
6. Thursday, July 31, 2:00 to 3:30; 8:00 to 8:30.
7. Thursday, July 31, 3:30 to 4:30; Friday, August 1, 3:30 to 4:30.
8. Saturday, August 2, 3:30 to 4:30; 8:00 to 9:00.
9. Sunday, August 3, 11:00 to 12:00; 3:00 to 4:00.
10. Sunday, August 3, 4:45 to 6:00; Saturday, August 2, 9:45 to 10:30.

TRAVEL

Information on all chartered airplanes, steamships, special trains and buses may be obtained at this department on the Main level, in Section 44-A, at the Polo Grounds. Representatives of the various countries will be on duty at designated times to provide information to delegates from abroad. Bear in mind that no announcements will be made over the loud-speaking system at either stadium concerning the time of departure of any special trains, planes or buses at the conclusion of the convention, or at any other time. Groups should be sure to make their own arrangements and each individual should know when the party is to leave and point of departure.

All non-U.S. citizens departing from the United States, with the exception of Canadians, must be in possession of U.S. Tax Clearance forms. Delegates who traveled from Europe to New York by chartered plane or steamship should call at the Travel department to obtain their clearance forms. All others may obtain information on getting clearance by coming to the Travel department, where U.S. government tax inspectors will be on duty during the convention.

VISITORS' DAYS

It will be possible for conventioners to visit the Brooklyn offices of the Watch Tower Bible and Tract Society at 124 Columbia Heights and the factories at 117 Adams Street and 77 Sands Street between the hours of 8 a.m. and 10:30 a.m. on Monday, Tuesday, Thursday and Friday of the convention week as well as between 8 a.m. and 4 p.m. Monday, Tuesday and Wednesday, August 4, 5 and 6, after the conclusion of the assembly. The nearest subway stations are the High Street on the Independent (IND) line if you are traveling on the "A" train, or at York Street if you travel on the "D" train. If you are traveling on the IRT Seventh Ave. line, you will use the Clark Street stop. Borough Hall is the BMT and IRT Lexington Ave. line station.

You may want to visit Gilead School on your return trip home. The Watchtower Bible School of Gilead is located on Route 34 in New York, north of South Lansing (not far from Ithaca in the Finger Lakes region). Gilead may be visited any time during daylight hours on your way home from the convention. There is no provision for staying overnight. The Society would appreciate it if those who are going to be staying in New York a few days would visit the Society's buildings on Monday, Tuesday and Wednesday after the convention so that those brothers who cannot remain after the assembly can visit the home and factory during the four mornings of the convention week, as indicated above.

VOLUNTEER SERVICE

During convention time a wonderful opportunity is afforded us in which we can serve our brothers' needs and welfare during the assembly. Much assistance is required for a well-functioning convention organization. The Society is very appreciative of the volunteer assistance that has already been received. Yet bear in mind that much more will be required. Whatever we do in behalf of our brothers should be considered a manifestation of our love for our brothers and Jehovah. (1 John 4: 20, 21) So we would suggest that you take advantage of this opportunity to share in the volunteer service and help in whichever department you have had experience with or would like to serve. Go to the Volunteer Service department in Section 31, Lobby level, and Section 52, Lobby level, at Yankee Stadium or Section 5, Ground level, and Section 44-A, Main level, in the Polo Grounds. We will require many individuals for the Cleaning department, others for serving in the Attendant department to assist with moving the crowd properly and orderly. Others will be required for serving food in the cafeteria and refreshment stands and for many other services. Would you not like to volunteer your time and labors in behalf of the convention organization? Keep in mind that departments are closed during the sessions, so almost everyone will have opportunity of taking in the spiritual food that Jehovah so graciously provides at the assembly. All of us want to return home enriched with the good spiritual food supplied here. When you volunteer you will be told of the department to which you should report and will accordingly be given an identification card. We would suggest that you report immediately and obtain your instructions concerning the hours that you are to serve.

When assigned, remember that those in charge of the departments are depending on you to be there. Dependability is a virtue.

This is an eight-day assembly, and when you offer your services we expect you to stick to your work. It will be hard work, but afterward you will certainly be going away with a happy feeling in your heart, knowing that you served your brothers, as well as having come to take in the spiritual food. Volunteer servants at the Divine Will International Assembly can make it possible for this to be the greatest assembly of Jehovah's people to date. May Jehovah bless you and give you strength.

NOTES ON MEETINGS
